

Harmonisation of the care and use of wild and domestic mammals and birds in field research

Adapting to administrative, conceptual and societal changes

Comfort Hotel Runway, Gardermoen, Norway

26 – 27 October 2017

26 October		
	THEME	
1000-1215	INTRODUCTION. EU POLICY & INTERNATIONAL EXAMPLES	<ul style="list-style-type: none"> • Short introduction: background and aims of meeting (Adrian Smith, Norecopa) 15 min • UK experience with field research and the EU Directive 2010/63 (Kim Willoughby, Home Office UK) 50 min +10 • Coffee break (15 min) • Round Table discussion 45 min
1215-1300	LUNCH	
1300-1500	REGULATION, MANAGEMENT, CONFLICTS	<ul style="list-style-type: none"> • Marine mammals: challenges and regulations (Lars Folkow, University of Tromsø) 20+5 min • The Norwegian Food Safety Authority's challenges with field experiments (Gunvor Knudsen, Norwegian Food Safety Authority) 30+10 min • Is it Management or Research? (Julie Lane, Animal and Plant Health Agency, UK) 25+5 min • The application process: rules, loopholes and challenges. Discussion with questions to the Norwegian Food Safety Authority. 25 min • Coffee break: 1500-1530
1530-1730	ETHICS, IMPACT, HEALTH & WELFARE	<ul style="list-style-type: none"> • Wildlife health status in Norway (Carlos das Neves, Norwegian Veterinary Institute and University of Tromsø) 15+5 min • Disease as a confounding problem and the need for surveillance (Bjørnar Ytrefhus, Norwegian Institute of Nature Research) 15+5 min • Wildlife research: exploring ethical tensions between conservation, animal welfare and One Health (John Linnell, Norwegian Institute of Nature Research) 20 min • Short break: 10 min • Ethics and the public's perception of field research (Siri Martinsen, NOAH) 20+5 min • Stones from the glass house: An external perspective of wildlife research (Trond Berg, Norwegian Broadcasting Corporation) 20+5 min
1900	DINNER	

27 October		
0830-1100	NEW TECHNOLOGIES, METHODS & APPROACHES	<ul style="list-style-type: none"> • Efforts to reduce poor reproducibility/translatability: the PREPARE Guidelines (Adrian Smith, Norecopa) 15+5 min • Challenges with bird research: the need for more methodological papers. How to design, build and attach transmitters and tags (Rory Wilson, Swansea University, UK) 35+5 min • From collars to cameras: technical, legal and welfare challenges (John Odden, Norwegian Institute of Nature Research) 20+5 min • DNA collection (Øystein Flagstad, Norwegian Institute of Nature Research) 20+5 min • Coffee break 15 min • Status and challenges with immobilization techniques and equipment (Jon Arnemo, Inland Norway University of Applied Sciences) 20+5 min
1100-1230	CONSENSUS SESSION	The Norwegian Environment Agency's work on predator management (to be confirmed) SWOT analysis of field research. Which challenges have we identified? Input to the first draft of a consensus statement (to be circulated after the meeting). Moderator: Adrian Smith. Closing remarks.
1230	LUNCH
